Love high heels but hate the "Stiletto Suffering" they cause?

Finally there's a solution!

Still Standing® is the only product designed to be used BEFORE you slip on your shoes to prevent that hot, shoes-too-tight feeling!

Its Patent-Pending Formula is made from soothing Eco-Distilled™ Certified Organic Arnica and Aloe—nature's anti-inflammatories. Menthol provides a cooling sensation while the Certified Organic Ilex (which has been used by natives in the South American Rainforest for centuries) works to intensify the effect.
